

MERIT SCHOLARSHIP APPLICATION FORM

DATE _____

Students currently registered for music lessons or who are in an ensemble at the Nevada School of the Arts are eligible to apply for merit scholarships awarded each year. Each award will be applied towards the cost of lessons or the ensemble in the next two semesters. There is an expectation that a student who is awarded a merit scholarship will continue with the program for both semesters of the award period. Merit scholarships are not automatically renewed each year. There will be an evaluation for each student during mid-year completed by the faculty member addressing progress or concerns regarding the student's performance during the course of study. Merit scholarships are available based on available funds and are awarded to students who demonstrate high level of dedication and growth during their studies at NSA.

Students, parents, and music teachers are asked to complete this application form, along with teacher's recommendation form, and submit to the office no later than *by 4:30 p.m. of the deadline date that is printed in the current school flyer and online*. Applications submitted after this date or that do not have all required signatures will not be accepted. Students who are registered for lessons on two instruments may apply on either or both instruments, but must submit two forms and two recommendation forms.

STUDENT'S NAME: _____
